Biography Sample:

Jennifer Smith (Waiter/Ensemble) is a Sophomore at Lakeland High School. Past Lakeland productions include Old Amy (Little Women), Ensemble (The Little Mermaid) and Jane Fairfax (Emma). I am also a part of the Lakeland choir ensemble, Blue Birds. When I am not participating in theater & choir I like to hang out with my friends, love on my puppies and am hoping to get on the tennis team this spring. I am planning to go to college in Florida after my senior year to study education. I would like to thank my friends for always making these productions so much fun!
